

# Welcome to Queen Mary Sailing Club

Our activities are great for team building, corporate events and away-days. Both physically and mentally challenging, they are a great, fun way to bringing out the best in your people, whatever their age or ability.

- Working together as a negotiating team builds communication and leadership skills, motivation, determination, support and trust, giving every individual a sense of pride in their achievements.
- We pride ourselves in running safe learning experiences where everyone can participate in a way which is right for them.
- Whatever the size of your team, or organisation, we can tailor a course to suit your specific requirements. We provide wetsuits, buoyancy aids and all specialised equipment.
- Activities can be combined with meetings in our clubhouse where we have 5 separate meeting rooms with free wireless internet and audio visual equipment.
- Our catering partners can provide a wide range of refreshments and food to suit your needs.

We have a wide range of activities to choose from and have been delivering great events on the water for over 40 years. [www.queenmary.org.uk](http://www.queenmary.org.uk)
